

Making a Gift of Securities

If your broker or bank is wiring the securities, please provide the following information on where to wire them:

UBS Financial Services

DTC: 0221

Account: Eden Autism Services Foundation, Inc.; 1DY1386

Tax ID: 22-4215005

To facilitate the processing and acknowledgement of your gift, please notify Melinda McAleer of your gift intention including the stock name and number of shares. **This information may not be provided by the financial advisors in a timely manner.**

If you are holding the securities, please send the unendorsed certificate to:

Melinda Gorny McAleer
Chief Development Officer
Eden Autism Services Foundation
2 Merwick Road
Princeton, NJ 08540

Please mail a signed stock power for each certificate, to Melinda, in a separate envelope. The stock power should be signed exactly as your name appears on the stock certificate, but with no other information filled in. Securities are not negotiable without a signed stock power. Please enclose a letter stating the purpose of the gift.

Valuating Gifts of Securities

For listed securities, the value of your gift is the mean between the high and low quotation on the date you make your gift, which is the date the securities pass unconditionally from your control.

- In the case of securities you mail, **this is the postmarked date.**
- In the case of wire transfers, this is the date the securities enter Eden's account.

Other Opportunities Through Gifts of Securities

You may use marketable securities to make a planned gift that pays you an income or that passes assets to your children or grandchildren. Please contact Melinda at melinda.mcaleer@edenautism.org or 609.987.0099 x3513 for more information.
